

PERSONAL RETREAT OPPORTUNITIES

We can offer you many unique services based on our own personal spiritual journeys. Would you like to come and stay with us awhile?

We live on top of Lookout Mountain in northwest Georgia (about 40 miles due south of Chattanooga, TN) and we overlook the quiet town of Rising Fawn and the surrounding valleys. Peaceful country neighborhood.

We have separate guest quarters with fully equipped kitchen, bath with shower, double bed, plus small sitting area. Pet friendly, but prior permission is required.

OUR COUNSELING SESSIONS

We're more than life coaches; we'll counsel from a single one-hour session to on-going sessions for as long as you wish. We'll discuss whatever your needs may be as you travel along your journey.

OUR PRESENTATIONS

We offer a wide variety of topics, or you can request your own. We will provide individually designed hands-on materials, based upon your choice of topics, to guide you on your journey of the soul within you.

In our presentations, if you choose, we'll talk about some of our own experiences on our spiritual journey so that you might be able to see some parallels and thus avoid some of the pitfalls we've had to work through.

All presentations are open-ended with opportunities for questions throughout. We'll work with you individually on your own questions, including any from the book, or on whatever your needs may be. We'll help you clarify the path you choose to co-create on your journey of the soul within you. We can tailor these to the individual needs of your group, from one hour to all day

OUR ON-GOING CLASSES

Classes may be about the book or about any topic you choose. We can do classes on an individual basis by phone or we can set up group classes. Depending upon our schedule and travel requirements, these can meet at your convenience.

OUR WORKSHOPS

Our workshops are week-end events. We require a minimum of eight people for these workshops and we will tailor them to suit your group.

Check our website for upcoming workshops and other events.

The workshops begin Friday evening and continue through Sunday afternoon. All meals will be taken together and your presence is required on-site during the entire week-end.

Our workshops are extremely experiential in nature. You will laugh, you will cry, you will search your soul, and you will learn things about yourself you never knew.

As we've told you in the book, the commitment will be huge, the journey will be steep and treacherous, but it will be ever so rewarding!

You will fly, you will soar,
you will feel
the Love
and the Peace
and the Joy!!!!
